Offa’s Dyke †

Kit Johnstone, Ph.D.
Transpennine, 2006

3 You found the trail but night came on
I guess at Lymm. Like a xenon
with no hope a ranger service
Behind which all comfort you’d miss.

Kit Johnstone, Ph.D.
Wilderness, 2010

† Sir Cyril Fox surveyed the Offa’s Dyke 1925–30.
